

# Get COVID-Covered

A Concierge Solution to Keep your Employees and Customers Safe

[www.kyla.com/covid](http://www.kyla.com/covid)

# Kyla's Complete Solution

## Nurse Tests Everyone Onsite Weekly

- Employers can choose a testing package which suits them best
- Molecular tests - nasal & sputum options currently available (results in 48hrs to 72hrs)
- Serology tests - IgM & IgG point-of-care tests currently available (results in 15 minutes)
- New to market tests and vaccines will be administered as they become available.

## App Monitors Symptoms and Vitals Daily

- Employee education on COVID & workplace safety for COVID prevention
- Daily vitals check (temperature & pulse oximetry)
- Daily symptoms check
- Infection contact tracing
- Telemedicine access to doctors (no co-pay or deductible for COVID like symptoms)
- Personalized Wellness Program to boost the immune system

## Doctors Manage Positive Cases to Recovery

- 20 medical centers + telemedicine = 350,000 patients treated
- Thousands of COVID tests performed at the first drive-thru in Santa Clara County
- Already working with large national chains on testing
