On the ROAD TO RECOVERY
Alameda County Child Care Check-In
February 17th, 2022
If you are participating in this session and speak English:
- Locate the globe at the bottom of zoom screen
- Click on the globe
- Choose English
- If you have technical issues, please use the Q&A box

Si usted está participando en esta sesión en línea y habla Español:
- Localice el globo en la parte inferior de la pantalla de Zoom
- Presione sobre el globo
- Escoja Español
- Presione sobre el globo otra vez
- Presione sobre “mute original audio”
- Si tiene problemas técnicos, por favor utilice el área de chat
中文指示

- 如果您参加此次的视讯座谈会并说中文：
  - 在Zoom萤幕下方找到地球图示
  - 按下地球图示
  - 選擇中文
  - 再按一次地球图示
  - 按下“將原音靜音” (mute original audio)
  - 如果您有任何技术上的问题，请使用Q&A区块
Housekeeping & Attendee Tools

- Session is recorded

- Attendees are muted

- Submit your questions through chat or when prompted, unmute yourself to speak
TONIGHT’S FEATURED DISCUSSION

- COVID-19 Quarantine and Isolation Guidance
- Antigen Testing Access and Distribution
- Request for Application: Infrastructure Grants – Minor Repair and Renovation
- First 5 Alameda County ECE Licensed Facilities Needs Assessment
- Q&A and Close
WELCOME

Child Care Check-in Agenda

• Review the *Tool Kit for Child Care Programs in Alameda County During COVID-19*
• Parent/Family Flow Charts
• Staff Flow Charts
• Review: Quarantine Options
• California and Alameda County COVID-19 Child Care Guidance: Face Coverings
• Vaccines For Children Younger Than 5
• Update: Reporting Positive COVID-19 Cases
• Q&A
Parent/Families Flow Charts

COVID-19 Flowchart for Parents/Families

Update 2/26/22

These protocols are based on guidance provided by California Department of Public Health (CDPH)

My child has a symptom of COVID-19 Vaccinated or Unvaccinated

Get tested
Get healthcare provider* note of alternative diagnosis

Isolate

+ -

Did you get symptoms while you were in quarantine?

No, finish quarantine (go to Scenario #1 on page 2)
Yes, return to school before Day 11

Return to child care when:
- FEVER is gone for at least 24 hours
- Child symptoms have resolved or child feels fine

Return to child care on day 11
- When fever is gone for at least 24 hours (without use of medication)
- Therapeutic return release

No test to release

Isolate for a minimum of 5 days

Get tested on or after day 5, 10 days before Day 11

No additional test to release

FOR ALL SCENARIOS, wear a well-fitting mask around others at all times, especially indoors, if 10 days after exposure, showing symptoms, or a positive test.

*Healthcare Provider: doctor, nurse practitioner, or certified physician assistant
**Children under 2 or for others who can’t mask can follow the CDPH guidance for shortened isolation. But we strongly recommend that child care providers have documentation of a negative test, Day 5 or later prior to returning to child care.

KEY DEFINITIONS

COVID-19 Symptoms
- Fever or chills
- Shortness of breath or difficulty breathing
- New loss of taste or smell
- Headache
- Congestion or runny nose
- Fatigue
- Muscle or body aches

Quarantine
Restricts the movement of persons who were exposed to COVID-19 in case they become infected.

Isolation
Separates those infected with COVID-19 from people who are not infected.
COVID-19 Flowchart for Staff

I have a symptom of COVID-19 - Vaccinated or Unvaccinated

- Get tested
- Get healthcare provider's* note of alternative diagnosis
- Isolate

No test to release

No additional test to release

Return to work on day 11:
- When fever is gone for at least 24 hours
- Without use of medication
- You feel better

Return to work on day 6 or later depending on when the negative result is received:
- Wear a well-fitting mask around others for 10 days, especially in indoor settings

Quarantine:
- Restricts the movement of persons who were exposed to COVID-19 in case they become infected.

Isolation:
- Separates those infected with COVID-19 from people who are not infected.

KEY DEFINITIONS

COVID-19 Symptoms:
- Fever or chills
- Sore throat
- Cough
- New loss of taste or smell
- Headache
- Muscle or body aches
- Fatigue
- Shortness of breath or difficulty breathing
- Congestion or runny nose
- Nausea or vomiting

Additional Symptoms:
- Diarrhea
- Shortness of breath
- Muscle or body aches

*Healthcare Provider: nurse practitioner, or certified physician's assistant.

# Child Care Quarantine Options

<table>
<thead>
<tr>
<th>Quarantine Options</th>
<th>10-day quarantine</th>
<th>5-day quarantine</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Testing</strong></td>
<td>-Testing is recommended</td>
<td>-Testing on Day 5 is <em>strongly</em> recommended for all close contacts prior to exiting quarantine</td>
</tr>
<tr>
<td><strong>Advantages</strong></td>
<td>-If testing is not possible, the 10-day quarantine is the safest option.</td>
<td>-Reduces disruptions</td>
</tr>
</tbody>
</table>
| **Considerations** | -Disruptions in program for staff, students and parents/caregivers  
   -Involves more contract tracing | -Disruptions in program for staff, students and parents/caregivers  
   -Involves more contract tracing  
   -Involves more testing  
   -If testing resources are limited this may not be the best option |
California and Alameda County COVID-19 Child Care Guidance: Face Coverings

• Child care providers must ensure compliance with the current CDPH Guidance for the Use of Masks. As of June 15, 2021, the use of face coverings is required by the California Department of Public Health (CDPH) and the Division of Occupational Safety and Health (Cal/OSHA) in child care indoor settings regardless of vaccination status.

• Never place face coverings on babies or children under 2 years of age because it poses a danger and risk for suffocation.

• Children should not wear face coverings while sleeping.
Vaccines For Children Younger Than 5

- FDA decided to wait for data on how well three doses of Pfizer-BioNTech’s coronavirus vaccine work in children younger than 5 before deciding whether to authorize the vaccine for that age group.

- Previous data showed that two doses were not sufficiently effective in preventing symptomatic infection.
2. Reporting Positive COVID-19 Cases
California COVID-19 Child Care Guidance:
Reporting Positive COVID-19 Cases

- Report 3 or more case of COVID-19 within 14 days among any child or employee to the Alameda County Public Health Department
Alameda County Public Health Department: How to Report Positive COVID-19 Cases

The reporting form can be found on the Alameda County Public Health Department Website. Schools | COVID-19 | Alameda County Public Health

Report a Positive Case

- **Child Care Programs, Camps & Extracurricular activities should only report 3 or more cases within 14 days**
- For efficiency, please include all case information in the SPOT intake form found here: [IntakeForm.ca.gov](http://IntakeForm.ca.gov)
  - REMINDER: please be sure to select “Report a School Exposure” as your exposure location even if you are a camp, child care program, extracurricular activity
- You will find exposure template letters here: [English](http://English) | [Spanish](http://Spanish) | [Chinese (Traditional)](http://Chinese (Traditional))
- For questions about case reporting contact Safe Learning: [safelearning@acgov.org](mailto:safelearning@acgov.org)

For more information on how to use the Shared Portal for Outbreak Tracking (SPOT) system please view the [SPOT User Guide](http://SPOT User Guide), the [SPOT Frequently Asked Questions](http://SPOT Frequently Asked Questions), and the [SPOT Intake Entry Form Fields](http://SPOT Intake Entry Form Fields).
SPOT Reporting steps:

1. Complete the **SPOT Intake Form**. For efficiency, please include all case information in the SPOT intake form found here: [In take Form (ca.gov)](https://www.ca.gov)

2. The first part of intake form requests information on the location of your child care program. The second part of intake form allows for positive case information to be entered.

3. Once you have completed the intake form you will receive two emails.
   - One is an autoreply: SPOT intake Form Received.
   - The second: SPOT Exposure Event Registration.
   - If they have already submitted your positive cases in the intake form, you are done!
Alameda County Public Health Department: Reporting Positive COVID-19 Cases

- Notify ACPHD (by email or phone) Monday-Friday 8:30-5:00pm
  - COVIDOB@acgov.org or (510) 268-2101

- ACPHD will provide guidance & answer questions

To determine if you are in a child care dessert, F5 will be making regional data available.
First 5 Alameda County
ECE Licensed Facilities Needs Assessment

Purpose: To capture landscape of need for facilities expansion, repair and renovation, opportunities for relocation, classroom conversion and deferred maintenance.

Ø Ready the field for the state/federal, facilities funding opportunities,
Ø Increase F5s understanding of the current ECE licensed care facilities needs both for advocacy, and increased understanding of need per readying, with an eye on Measure C funding becoming available in future years.
Surveys are specific to Centers or FCCs

Please respond to a survey about the landscape of licensed child care facilities in Alameda County

Please follow the links below to access the survey that matches your facility type:

- Please respond one time per site that you operate.
- We expect the survey to take 15 minutes to complete per site.
- Respondents will have their information entered into a lottery to receive one of two $100 gift cards.

請回答有關阿拉米達郡有執照的兒童保育機構景觀的調查

請按照以下連結訪問與您的機構類型相匹配的調查。

- 請對您運營的每個站點回復一次。
- 我們預計每個站點需要 15 分鐘才能完成調查。
- 受訪者將輸入他們的信息參加抽獎，以獲得兩張 100 美元的禮品卡中的一張。

Por favor responda a una encuesta sobre el panorama de las instalaciones de cuidado infantil en el Condado de Alameda

Por favor siga los enlaces de abajo para tener acceso a la encuesta que coincide con el tipo de su instalación.

- Por favor responda una vez para cada sitio que usted opera.
- Esperamos que la encuesta tome 15 minutos para completarla para cada sitio.
- La información de los encuestados será incluida en una rifa para recibir una de las tarjetas de regalo de $100.

• Please follow the links below to access the survey that matches your facility type:
  • Please respond one time per site that you operate.
  • We expect the survey to take 15 minutes to complete per site.
  • Respondents will have their information entered into a lottery to receive one of two $100 gift certificate
