

Notice of Corrections for the Parent Engagement and Support Community Grant

Please note the below corrections for the Parent Engagement and Support Community Grant RFP:

1. Clarified Eligibility: (Statement added to page 4)
Non-profit or public agencies in Alameda County are eligible to apply. However, given First 5's current investments in Neighborhood Ready for School (NRFS) and Early Learning City Network (ELCN) programs, NRFS and ELCN anchor institutions (the organizations who were awarded grants directly from First 5 to lead, implement, and/or coordinate services through one of the initiatives) are not eligible to apply for this grant. This restriction, however, does not apply to the agencies the anchor institutions have partnered with to deliver services.
2. Scoring Criteria, (correction to points distribution for service sites on page 28):
1 point for service sites that are located within Alameda County, but not in one of the priority zip codes.
